WHAT DO WE DO?

YLAT members educate the community about the needs of youth in foster care and advocates for positive changes within the child welfare system.

YLAT is committed to creating comfort, safety and opportunity for all youth in foster care!

AND WE HAVE FUN DOING IT!

This month we will kick off our YLAT year *outdoors* by coming back together in-person, getting to know the group with a fun team-builder, handing out Virtual Teen Conference swag bags, and more!

Expectations for in-person YLAT Meetings:

- Masks will be worn the entire meeting except while eating
 - Additional "mask breaks" will be given
- Social-distancing and no-contact activities will be practiced at the meeting
- Hand sanitizing will occur at the beginning of meetings and before and after eating
- You will be asked key health screening questions and a temperature check at the start of each meeting
- Meetings will be held outdoors; come with layers and anything you need to be comfortable (chair or blanket)

If you are not feeling well, or if you have been in close contact with a person who has potentially been exposed to, diagnosed with, tested positive for, or quarantined because of COVID-19, in the last 2 weeks, please do not attend in-person YLAT meetings. You are welcome to join our monthly virtual meeting on Wednesday, September 23^d from 3:30- 5:00 PM.
