WHAT DO WE DO?

YLAT members educate the community about the needs of youth in foster care and advocate for positive changes within the child welfare system.

YLAT is committed to creating comfort, safety and opportunity for all youth in foster care!

AND WE HAVE FUN DOING IT!

We know that there are many changes happening in your lives and across our country. YLAT Staff want to have the chance to connect with you, celebrate an amazing YLAT year, and share important updates!

Please join us for another awesome month of YLAT filled with connection, skill building, and laughter!

If you have questions, please contact:
Angela DeLong, Transition Specialist at 207-446-4819
